Dear Louise,

Please pass on our thanks to all the staff at the Eating disorders Clinic there at Cardinal House for your kind donation of £48, following your lunchtime fundraiser.

This donation will help to ensure that the **beat** services can continue providing support and information to people affected by eating disorders. Everyday the helplines, website and self help groups provide vital support to hundreds of sufferers and families across the UK. Over 1.6 million people throughout the UK are affected by an eating disorder and anorexia has the highest mortality rate of any mental illness. Often the **beat** services are the first step a sufferer makes towards recovery, providing the support they need to beat their eating disorder.

**beat** is reliant upon donations so thank you very much for choosing to support our work.

If you would like any further information about **beat** and the work which we do please do not hesitate to contact me.

Yours sincerely,

Ian Finnegan
